

## WHO WE ARE

Procurigence supports people around the globe who are engaged in the buying, managing, and delivery of business travel, group travel, and event-related goods and services virtually anywhere. If you are looking for a person, place, thing, service, product, new creative ideas, contractual support, mitigation, technology, or managed travel support then Procurigence is your answer. Where providing what you need, when you need it with savings, safety, and security in your decision making process is our only goal.

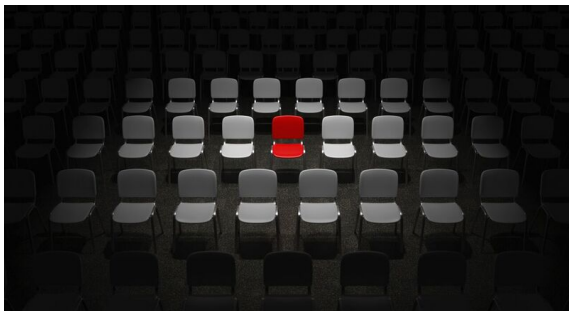

## WHAT WE DO FOR YOU

- **Procure** – Matching buyers with the right event venue, business travel, and meetings industry suppliers
- **Protect** – Mitigating your risk by negotiating, ensuring, and providing legal support
- **Deliver** – Supporting you every step of the way, providing cost savings and ROI
- **Process** – Enabling your efforts by providing technology, tools, resources, platforms, and consulting

## WHY US

- **Efficiencies** – Letting you do what you do well, while we do the rest
- **Effectiveness** – On-demand and scalable skill sets to support your direction
- **Savings** – Evidence at your fingertips that supports ROI
- **Security** – Knowledge to support your decision

## CORE SERVICES

- Site selection & Negotiations
- Managed Travel Consulting
- Technology tools & Platforms
- General outsourcing
- Contracting, Creative & Operations
